UMNO: POSITION IS NOT EVERYTHING, SAYS SALLEH

KOTA BELUD, April 28 (Bernama) -- Umno Supreme Council member Datuk Seri Salleh Said today reminded party members that they should not fight among themselves to attain certain positions because this would lead to disunity which would be detrimental to everyone.

He said party position was not everything, on the contrary, it was a channel to serve the people.

"The higher our position, the bigger will be our responsibility...as such, I wish to remind everyone against joining the party merely for position," he said at the opening of the delegates meeting of the Kota Belud Umno division by Melaka Chief Minister Datuk Wira Mohd Ali Rustam.

Salleh, who is also deputy head of the State Umno Liaison Body and Kota Belud Umno division chief, said ordinary members could also contribute to the party and the people.

He likened Umno to a ship which only had one captain to steer it, that is, party president Datuk Seri Dr Mahathir Mohamad.
