Chua: Elect conscientious leaders

PENANG, Sun. - MCA vice-president Datuk Chua Jui Meng has urged members to elect conscientious and transparent leaders like Prime Minister Datuk Seri Dr Mahathir Mohamad to lead the party in the forthcoming MCA election.

He said such leaders were especially vital for the party to have in the new century, during which every member wanted a `revitalised MCA'.

"We want a committed and dedicated leader, like Dr Mahathir, to lead the party to greater heights.

"We also want a leader who is full of drive, vision and vitality to represent the different voices of the Chinese community and to bring about change to the people's daily life," he said at an MCA Thousand-Member Fellowship Dinner and Dance held at the Penang International Sports Arena here last night.

Also present were suspended MCA national Youth chairman Datuk Ong Tee Keat, Negri Sembilan Executive Councillor Datuk Yeow Chai Thiam, Perlis Executive Councillor Loh Yoon Foo and several State leaders aligned to MCA `Team B'.
