DISPLAY TICKETS TO EASE TRAFFIC FLOW, SAY TRAFFIC POLICE

KUALA LUMPUR, July 25 (Bernama) -- Those attending the "One Nation We Care" presentation and a concert by South Indian film stars on Saturday are advised to display tickets on their cars, to facilitate policemen in directing traffic flow.

Kuala Lumpur Traffic Police Chief Supt Ahmad Shamsuri Ahmad Mukhri said this would ease traffic flow heading to both events, expected to be held simultaneously at 6pm.

"Spectators should display their tickets and follow instructions on parking their cars in designated places," he told a press conference at the Traffic Police Station at Jalan Tun H.S. Lee, here today.

He said traffic police might close Jalan Puchong heading to Kesas Highway and motorists were advised to use Seremban Highway while a few two-way main roads close to the National Sports Complex would be directed to go one-way.

The "One Nation We Care" stage show presentation and donation drive for the AIDS Fund expected about 100,000 visitors at Bukit Jalil National Stadium, he said.

The event organised by the Malaysian General Insurance Association (PIAM) would be opened by Prime Minister Datuk Seri Dr Mahathir Mohamed.

The concert by South Indian film stars featuring popular artistes from Madras in India at Bukit Jalil Putra Stadium was expected to attract about 19,000 visitors, he said.

Vehicles heading for Putra Stadium from Seremban Highway would be advised to use Puchong Link heading to Puchong-Jalan West Interchange and turn back to Puchong Link heading towards ASTRO and enter Jalan Sekolah Sukan Bukit Jalil.

Both D and E carpark lots would be reserved for spectators going to the concert by South Indian film stars only.

"We will detour vehicles from Puchong Link and Seremban Highway," he said.

All vehicles from B, C, D and E carpark lots would be instructed to use Jalan Puchong Link when returning while vehicles at Stadium Hoki and F carpark lots would have to pass through Jalan North to Kesas-Sri Petaling (Carrefour)/Sukom Interchange.
