DR MAHATHIR REVEALS ONE OF HIS SECRETS

JITRA, May 2 (bernama) -- Datuk Seri Dr Mahathir Mohamad today revealed one of his secrets on being early -- he sets his watch five minutes earlier than normal time.

"I like to be early...(I) don't like to be late," said the Prime Minister at the end of his speech when opening simultaneously the Kubang Pasu Umno delegates conference and meeting of the Kubang Pasu voters information management system at Dewan Darul Qiyam, Sekolah Menengah Kebangsaan Pulau Nyior, here.

It was then 11.25am according to the clock.

Looking at his watch, Dr Mahathir said: "It's already 11.30am (although the actual time was 11.25am). My watch is earlier than other people's because I always like to arrive early."

It is also good if we practise what is being done by our Prime Minister.
