PM launches exhibition on Kedah development plan

PRIME Minister Datuk Seri Dr Mahathir Mohamad yesterday launched an exhibition on Kedah Government's development action plan on the sidelines of the on-going Umno General assembly.

Dr Mahathir, who is Umno President, launched the exhibition themed "Developed Kedah 2010" during the lunch break.

Also present were Kedah Menteri Besar Datuk Seri Syed Razak Syed Zain, senior state administrative officers and members of the Kedah Umno delegation.

The eight-year action plan aims to achieve the vision of developed status by 2010 through balanced development for the common benefit of the people of Kedah and Malaysians in general.

The action plan, put together by the State Economic Development Corporation (SEDC), also aims to enhance the living standards of the people by leading them towards healthy living.

The "Developed Kedah 2010" exhibition displays the many achievements of the State, from a backwater about 15 years ago to a progressive State with numerous economic activities. Among the highlights at the exhibition are the growth of tourism in Langkawi and the Kulim Hi-Tech Park.
