`Accept Dr M's decision on seat allocation for next polls'

GUA MUSANG, Mon. - Gua Musang MP Tengku Razaleigh Hamzah said Barisan Nasional chairman Datuk Seri Dr Mahathir Mohamad will be fair in the distribution of seats among component parties in the next general election.

No party should dispute the allocation of seats for State and parliamentary seats, he said.

Tengku Razaleigh, who is an Umno supreme council member, said the decision was the prerogative of the BN chairman.

"Nevertheless, the allocation will be based on a formula that has been agreed," he said.

He was commenting on Dr Mahathir's advice to BN component parties to abide by the BN's supreme council decision on the matter.
