PNB Darby Park for business or leisure

THE property portfolio investment of Permodalan Nasional Berhad (PNB) now includes an impressive service apartment right in the heart of the city. Called PNB Darby Park, this service apartment offers guests 'hotel-like' accommodation facilities but with the flexibility of self-service 'stay-at-home' style of boarding. Owned fully by PNB, the service apartments are managed by Sime Properties International Pte Ltd which is a joint-venture between Sime UEP Properties Berhad and Sime Singapore Limited. Guests can choose from six types of luxuriously appointed suites that include one, two or three bedroom apartment. Currently, 226 units are available and another 114 which will include 4-bedroom suites and Penthouses will be offered in a future phase of development.

A satisfied guest was none other than Prime Minister Datuk Seri Dr Mahathir Mohamad and his family who stayed in one of the suites during the pre-Christmas holidays recently. The Prime Minister and his family sampled PNB Darby Park's hospitality by staying overnight after presiding over the official launch of the service apartments.
