Ting confident of single list

KUALA LUMPUR, Thurs. - MCA secretary-general Datuk Seri Dr Ting Chew Peh is confident of a single list when nominations for national party posts close.

He believes members would abide by the party's peace formula proposed by Barisan Nasional chairman Datuk Seri Dr Mahathir Mohamad which was later endorsed by the central committee.

"The peace formula says the status quo should remain. There is also no vacancy in all posts, including the CC. So there will be no election," he said, adding the nomination process nevertheless had to be carried out as this was required by the party constitution.

The party has fixed June 24 for nominations and delegates could submit their nominations between 1pm to 5pm.

"The CC will convene a meeting at 6pm to go through the nominations," said Ting.

MCA is scheduled to hold its national assembly on June 29. Its Youth and Wanita assemblies will be held a day earlier.
