Harvard Club to host musical group

KUALA LUMPUR, Sun. - The 14-member all-male group, Harvard Din and Tonics performs in nearly 150 concerts a year to packed houses around the world. It was formed in 1979.

Underlying all their efforts is a single mission: To bring laughter and enjoyment to the faces of all who give their attention to our singular brand of entertainment - or as we like to call it, a cappella...`with a twist.'

Their musical repertoire consists mostly of jazz standards from the 1920s and 1930s, but includes rock and roll songs from the 1950s through the 1980s, and selections from the calypso, swing and folk genres.

The members' 10 week-tour this year takes them to 19 countries including Germany, Belgium, India, Thailand, Malaysia, China, Taiwan, Japan, Australia and Fiji.

The Harvard Club of Malaysia is hosting the group in Kuala Lumpur. Those interested can call Equatorial Hotel at tel: 03 2161 7777 extension 8205/8241 for reservations.

Prime Minister Datuk Seri Dr Mahathir Mohamad will deliver the seventh Prime Ministerial address for the Harvard Club of Malaysia on July 29th. Dr Mahathir will speak on "The New Malay Dilemma".
