Kelantan Umno's pledge to Dr M

KOTA BARU, Fri. - Kelantan Umno pledges to wrest the State from Pas in the next general election as a special gift for Datuk Seri Dr Mahathir Mohamad who will be leading Umno and the Barisan Nasional Government until next year.

State Umno liaison chief Datuk Mustapa Mohamed said the State also thanked Dr Mahathir for his agreement to appoint Datuk Seri Abdullah Ahmad Badawi as his successor.

"We are giving our full commitment and will close ranks to achieve our goal," he said.

He said the State Umno was drawing up strategies to garner support from the people.

This was among the decisions contained in a resolution expressing Kelantan Umno's support for Dr Mahathir and Abdullah, which was passed at a special meeting attended by the liaison, Youth, Wanita and Puteri committee members.

The resolution would be handed over to Dr Mahathir and Abdullah.
