By: Nor Hammad Wariman

LANGKAWI, July 30 (Bernama) -- Langkawi, the venue for the Global 2002 Smart Partnership International Dialogue, has been experiencing intermittent but heavy showers over the past four days.

And the outlook for the next two days (Wednesday and Thursday) on this resort island is cloudy skies and rain.

A spokesman for the northern region's Meteorological Services Department in Penang said fine weather was forecast for Langkawi from Friday onwards.

As such, a major portion of the Langkawi International Dialogue 2002 will see some good weather.

LID 2002 kicks off from Thursday night with dinner hosted by Prime Minister Datuk Seri Dr Mahathir Mohamad at the Mahsuri International Exhibition Centre at Padang Matsirat.

From Friday, the dialogue proper will be held at a specially-erected marquee at the Pelangi Beach Resort in Pantai Chenang.
