MELAKA TO SET UP CENTRE ON MAHATHIR'S THOUGHTS

MELAKA, April 23 (Bernama) -- The Melaka government will set up a resource centre on the thoughts of Datuk Seri Dr Mahathir Mohamad at the Melaka International Trade Centre (MITC) in Ayer Keroh.

Chief Minister Datuk Seri Mohd Ali Rustam said the centre, to be known as Vision 2020 Gallery, would house all of Dr Mahathir's literary works as well as those by other writers about the Prime Minister.

"The Vision Gallery will facilitate students and the public to refer to Dr Mahathir's thoughts," he told reporters today after closing a colloquium on the thoughts of Dr Mahathir organised by the state government and the Institute of History and Patriotism Studies Malaysia.

Mohd Ali also proposed a debating competition on the thoughts of Dr Mahathir with a challenge trophy offered to the winner.
