NEW ACCESS ROADS TO KL SENTRAL

KUALA LUMPUR, April 12 (Bernama) -- Two new access roads -- Jalan Sentral 4 and Jalan Sentral 2 -- to Stesen Sentral Kuala Lumpur (SSKL) will be opened for public beginning this Sunday.

These roads would only be accessible from 7am to 7pm daily until the end of May, said Kuala Lumpur Sentral Sdn Bhd said.

"Thereafter, these roads are accessible 24 hours," it said in a statement today.

Traffic from Jalan Istana towards Lebuhraya Mahameru could access SSKL via Jalan Sentral 4, while Jalan Sentral 2 would enable traffic to exit from SSKL to Lebuhraya Mahameru.

Jalan Sentral 2 is also linked to Jalan Damansara, the statement said.

The opening of the new roads are in conjunction with the official opening of KL City Air Terminal (KL CAT) and the KLIA Express Rail Service, by Prime Minister Datuk Seri Dr Mahathir Mohamad tomorrow, it added.
