Rafidah: Allegations baseless

SANDAKAN, Sat. - Wanita Umno chief Datuk Seri Rafidah Aziz has lashed out at certain quarters whom she said continued to make allegations that she was against the setting up of Puteri Umno.

She challenged those who had been making such allegations to report the matter to party president Datuk Seri Dr Mahathir Mohamad if they had the evidence or proof to support their claim.

"I was never against the formation of Puteri Umno and I will not forgive those who had been spreading such allegations," said Rafidah without naming those who had been making the allegations.

Rafidah, who is International Trade and Industry Minister, was speaking at the Sabah Wanita Umno Hari Raya gathering here.

At the function, Rafidah presented a computer set to each of the 20 Wanita Umno divisions in Sabah.
