Sabah Umno supports postponement

KOTA KINABALU, Tues. - Sabah Umno supports the proposal to hold the party elections, scheduled for next year, after the general election.

State Umno liaison chief Datuk Musa Aman said today the postponement of the party elections was necessary to ensure that Umno members were united in facing the general election.

"Our priority should be winning the general election and this is only possible if we are united," he said here after officiating a seminar on Small and Medium Enterprises (SMEs).

Musa, who is also State Finance Minister, was commenting on a statement by Prime Minister Datuk Seri Dr Mahathir Mohamad on Sunday.
