`Huge turnout shows growing support for BN'

KUALA TERENGGANU, Sat. - The huge turnout at a gathering attended by Datuk Seri Dr Mahathir Mohamad yesterday reflects the growing support the Barisan Nasional is getting from the people of Terengganu, State Umno liaison committee deputy head Datuk Idris Jusoh said.

He said about 40,000 people attended the meet-the-people function and opening of the State BN convention at Sekolah Tun Telanai, Marang, and another 20,000 people attended the launch of a housing project for fishermen by the Prime Minister.

"The support shows that the BN has gained good support from the people," he said at the closing of the two-day State BN convention.

Idris also received a copy of a book titled 13 Dalil Haram Menyokong Pas (13 Reasons Why Pas Should Not Be Supported) written by Datuk Muhammad Ghazali Ahmad.
