`Pas tactics reflect twisted mentality'

SEREMBAN, Tues. - Depicting Umno president and Prime Minister Datuk Seri Dr Mahathir Mohamad as a Catholic priest is an irresponsible act by Pas leaders and followers that shows their `twisted mentality', DAP life adviser Dr Chen Man Hin said today.

"How could they do such a nasty thing...He (Dr Mahathir) went to Italy for the sake of the country. He has been promoting to the world the multi-racial and multi-religious Malaysians who can live together, peacefully.

"It is very unfair (for Pas) to do such a thing. They have departed from the norm."

Dr Chen was commenting on images of Dr Mahathir, clad in a robe and wearing a cross and the words "Mahathir Paderi Besar Gereja" said to have been distributed by Pas.

He said it was very likely that the DAP would not co-operate with Pas in the coming general election.
