Pay heed to PM's timely warning

Sharil

ON Oct 6 Prime Minister Datuk Seri Dr Mahathir Mohamad gave a stern warning to all extremists, either religious or racial.

I hope this will register with all peace-loving Malaysians, especially the politicians who rarely, if ever, hesitate to use these means to grab power.

The message is crystal-clear and we have received it at the right time. We must preserve religious and racial harmony so that future generations will not suffer.
