Spirit of compromise must prevail in BN, says CM

KOTA KINABALU, Sun. - It is natural for Barisan Nasional parties to want more seats in the coming election but the spirit of compromise must prevail, Chief Minister and State BN chairman Datuk Chong Kah Kiat said today.

Chong said Prime Minister and BN chairman Datuk Seri Dr Mahathir Mohamad had said recently that all BN parties must respect his decision.

"At the end of the day, the spirit of compromise must prevail and the BN has proven time and again it can do it," he said after launching the Kembara Merdeka Jalur Gemilang programme at Padang Merdeka.
