

Special card for Dr M

Jan 6/2013
KUALA LUMPUR: Some 55 children from Batu Arang and Kuala Kangsar Philips Kindergartens presented their Merdeka greeting card to Prime Minister Datuk Seri Dr Mahathir Mohamad in Putrajaya recently.

The card contains drawings, messages and salutations to the prime minister for his contributions to the country.

"The idea of meeting the prime minister came from the children themselves," Philips Malaysia Sdn Bhd CEO R. Kumar said in a press statement.

The children were accompanied on the visit by Kumar, their teachers and some of the parents.

The two kindergartens conducted by Philips are opened to children from families with income of less than RM1,000 per month.
