NST 1 SEP 2003

IPOH, Wed. — Fancy having your essays or poems on Datuk Seri Dr Mahathir Mohamad published? Then send them to Puteri Umno Perak as the movement is now compiling such contributions into a book to be dedicated to the Prime Minister.

Perak Puteri Umno chief Noor Asmah Mohd Nawawi said anyone who lives in the State could participate and they would also get the chance to win attractive prizes.

She said Puteri Umno members in the State could send their essays or poems through their divisions while the public could submit their writings to the movement's headquarters here before the end of this month.

She said all the entries would be edited and compiled into a special book that would be presented to Dr Mahathir.

"It will be our special gift to Dr Mahathir before he retires in October," she said.

She said the public could express their gratitude to Dr Mahathir or write on his contributions to the nation for more than two decades as Prime Minister.

She said contributors could also touch on other aspects of Dr Mahathir including his political career and contributions to the international and Islamic communities.

For Puteri members, she said each essay should not exceed 5,000 words while others should write not more than 1,000 words.

She said all entries must reach Puteri office at 3rd floor, Bangunan Umno, Jalan Sultan Idris Shah, 30000, Ipoh, by Sept 30.
