KUALA LUMPUR: Memory Lane has begun a project for Malaysians to say "thank you" to Prime Minister Datuk Seri Dr Mahathir Mohamad and to congratulate his successor Datuk Seri Abdullah Ahmad Badawi.

Launched on Oct 7, the project distributes free greeting cards in English and Bahasa Malaysia at the various outlets with a free mailing service for people to send wishes to the two leaders.

Those filling in cards also have the option of having their messages displayed on notice boards before the cards are mailed off.

During a visit to the Mid-Valley Megamall outlet here on Thursday, the shoppers were seen selecting their cards a choice of six designs – four for Dr Mahathir and two for Abdullah – before composing their messages.

Jacqueline Yap, 30, recalled the time three years ago when she noticed Dr Mahathir in the vehicle behind hers.

"He was in a Pajero with his family. I waved at him and he waved back. I never thought he would acknowledge me. I will remember that forever."

Found at all outlets in the Klang Valley, Kuantan, Penang, Ipoh, Seremban, Malacca and Kuching, cards for Dr Mahathir will be available until Oct 22 and until Oct 26 for Abdullah.
