**KUALA TERENGGANU:** PAS has praised Prime Minister Datuk Seri Dr Mahathir Mohamad for making the country well-known abroad.

Its president Datuk Seri Abdul Hadi Awang said Dr Mahathir, who would be retiring on Oct 31, had spoken out on Malaysia's stand at international forums such as the United Nation, Non-Aligned Movement and Organisation of Islamic Conference (OIC).

"I have also agreed to attend the OIC meeting today as a mark of respect upon receiving a written and oral invitation from him as he is leaving office.

"I have also agreed to attend the dinner organised by the Rulers in conjunction with the event," he told reporters yesterday after chairing the weekly state Exco meeting at Wisma Darul Iman.

Asked whether he supported Dr Mahathir's vocal stand on international matters, he said:

"I will not give any marks as everyone have their good and bad points. But, Dr Mahathir is leaving with several unresolved problems."

Hadi hoped Datuk Seri Abdullah Ahmad Badawi, who would succeed Dr Mahathir, would resolve the problems.
