**ALOR STAR:** Deputy Information Minister Datuk Zainuddin Maidin has urged Umno members not to dispute the choice of general election candidates made by the party leadership to ensure victory.

He said members should throw their support for the candidate chosen by the party leadership.

"Whether you like the person or not, give him or her the full support," he said when opening Kedah Umno's *Ops Sapu Bersih 2* campaign on Friday night.

The campaign is to ensure a clean sweep by Barisan Nasional in Kedah in the next election.

Zainuddin said Umno members gained nothing if the opposition won due to disputes over candidates.

He said Umno should not allow a single seat in Kedah to fall to PAS in the next general election.

He said it would be the biggest retirement gift for Prime Minister Datuk Seri Dr Mahathir Mohamad if Barisan won all the seats in Kedah.
