INIX TECHNOLOGIES LAUNCHES SECURE SMITH

PUTRAJAYA, Oct 1, 2003 (Bernama) -- iNix Technologies Sdn Bhd, a progressive ICT company, has officially launched a new product, Secure Smith, during Mavcap's (Malaysia Venture Capital Management Bhd) showcase last Monday.

It was held in conjunction with the launching of CIP (Cradle Investment Program) by Prime Minister Datuk Seri Dr Mahathir Mohamad at the Ministry of Finance, it said in a statement here today.

Secure Smith is a fully integrated intelligent system that incorporates three modules, security, automation, and CCTV surveillance, into one system.

During the event, Dr Mahathir witnessed the signing ceremony with local property developers appointing iNix Technologies as the sole supplier of integrated intelligent home systems for their projects.

iNix Technologies Sdn Bhd is an investee company of Mavcap (fully owned by Ministry of Finance Inc). -- BERNAMA
