KUALA LUMPUR, June 13 (Bernama) -- The launching of "A Legend Forever" (ALF), a project to showcase the "life and times" and the immense lifetime achievements and contributions of Prime Minister Datuk Seri Dr Mahathir Mohamad has been rescheduled from June 17 to early August.

ALF event director, Rashid Mansur said that the June 17 launch at the Sunway Lagoon Resort Hotel has been rescheduled to early August in view of the hotel being appointed the official venue for the Global Conference on SARS (Severe Acute Respiratory Syndrome) from June 16 to 19.

Rashid said that he was informed by the hotel recently that the conference had been initiated by the World Health Organisation (WHO) and would be organised by the Health Ministry.

A new date will be announced soon in the media for the official launch of the ALF project and the print-biography of Dr Mahathir by Tun Dr Mohamed Zahir Ismail, the Dewan Rakyat Speaker, he said in a press statement issued here today.

On the other hand, the web-biography and website of the Prime Minister, which is being overseen by the project's lead researcher and writer, Prof Emeritus Datuk Dr Khoo Kay Him, is tentatively scheduled to be launched in October or November this year, he said.
