MBM TO DISTRIBUTE FIVE MILLION THANK YOU PM POSTCARDS

SHAH ALAM, Oct 17 (Bernama) -- The Malaysian Youth Council (MBM) will distribute five million "Thank You Prime Minister" postcards as a form of gratitude for the contributions and leadership of Datuk Seri Dr Mahathir Mohamad who will retire at the end of the month.

MBM President Datuk Seri Dr Mohamad Khir Toyo said the postcards would be distributed via post offices, schools, institutions of higher learning and shopping complexes to enable Malaysians to express their gratitude to the Prime Minister.

He said the postcard campaign would be launched on Oct 29, one day before Dr Mahathir retired. The campaign would end on Nov 30.

"Dr Mahathir's contributions cannot be paid. We are not worshipping anyone but we are people who remembers ones contribution," he told reporters after opening an appreciation ceremony for MBM's volunteers.

Dr Mohamad Khir said that for 22 years Dr Mahathir not only developed the country but also transformed Malaysians into people of high confidence.
