SHOW PROOF CABINET MINISTERS INVOLVED IN FSFM, SAYS DR M

PORT DICKSON, Aug 2 (Bernama) -- Datuk Seri Dr Mahathir Mohamad has asked Emergency Action Team of Malaysia (PCTM) chief Munsyi Muslim Yacob to substantiate his claim that certain Cabinet ministers were involved with the bogus Federal Special Forces of Malaysia (FSFM).

"Show proof. People can talk, but it doesn't mean that ministers are involved," the Prime Minister said when asked to comment on Munsyi's reported statement that certain ministers were involved with FSFM.

Speaking to reporters at the TNB Kondominium Peranginan here this evening, Dr Mahathir said if Munsyi cannot show proof, action would be taken against him.

An English daily today quoted a Chinese newspaper as saying that Munsyi had made the claim of ministers' involvement with FSFM.

Police have crippled the FSFM following the arrest of its head, Nor Azami Ahmad Ghazali, and scores of other senior leaders.

Munsyi said Nor Azami formed FSFM after being sacked from the registered PCTM.
