TALK ON MALAYSIA-US RELATIONS UNDER BUSH ADMINISTRATION

KUCHING, Aug 8 (Bernama) -- A talk on Malaysia and US relations under the Bush administration touching on three important aspects will be held in Sarawak to enable better understanding between the two countries.

Sarawak Development Institute (SDI) said the talk to be delivered by Georgetown University lecturer Dr Pamela Sodhy would touch on the three aspects of bilateral relationship namely politics, security and economy.

"The talk will cover the time span from January 2001 to the present a period that marks the administration of George W. Bush, the 43rd president and the closing years of Datuk Seri Dr Mahathir Mohamad's long premiership in Malaysia," it said in a statement here today.

The talk, which is organised by SDI, is free of charge. Those interested to attend the talk must first register. For more information please call Rosalind Wong at 082-415484/416484 or email [sdi@po.jaring.my](mailto:sdi@po.jaring.my). or visit SDI's homepage at <http://www.sdi.com.my>.

SDI said the seminar would be held on Aug 13 at Dewan Persidangan 2nd Floor, Wisma Bapa Malaysia from 12.30 pm to 1.30 pm.
