WATCH DISPLAYED AT DR MAHATHIR'S HOUSE MISSING

ALOR STAR, Dec 4 (Bernama) -- A watch, displayed at the home of former Prime Minister, Tun Dr Mahathir Mohamad, in Jalan Kilang Ais here has gone missing.

Acting Kota Star OCPD Supt Abdul Jalil Wahab said it was reported missing by a National Archives Department Officer of the Kedah/Perlis branch at noon today as soon he realised it.

"Preliminary investigations show there are no signs of a break-in," he said.

Abdul Jalil said he did not have any further details of the watch.

The house, which is among the town's tourist attractions, is managed by the National Archives Department.
