DR MAHATHIR GIVES IDEAS ON IMPROVING TOURIST FACILITIES

YAN, Kedah, Jan 31 (Bernama) -- Tun Dr Mahathir Mohamad today gave developers ideas on improving tourist facilities on Pulau Bunting, one of the islets of Langkawi.

Earlier the former Prime Minister inspected the RM120 million bridge project now under construction to link Kuala Sedaka to Pulau Bunting.

The 2.2km long bridge which was now more than 50 per cent complete is scheduled for completion in October this year.

Dr Mahathir was briefed by the project contractor Datuk Lin Yun Ling who is the Managing Director of Gamuda Bhd and project developer Ismail Lal Khan who is the Director of SKS Venture Sdn Bhd.

Ismail said Dr Mahathir gave a number of ideas on improving facilities on the island so as to draw more tourists.
