DR M: EX-ASSEMBLYMEN SHOULD GIVE UNDIVIDED SUPPORT TO GOVT

IPOH, Aug 24 (Bernama) -- Former state assemblymen should give their continued and undivided support to the present leader who is running the government, former Prime Minister Tun Dr Mahathir Mohamad said.

He said the benefits they currently enjoyed, were attributed to support from their successors.

"We as former state assemblymen should not forget the support of other people. The best way to show our gratitude is by giving our support to those who have taken our place," he said at a dinner organised by the Council of Malaysian Ex Assemblymen (Mubaak) here last night.

Also present were Menteri Besar Perak Datuk Seri Tajol Rosli Ghazali and Deputy Mubarak President Datuk Abu Zahar Nika Ujang.

He said a stable government, which could contribute positively to national development, would not exist without the strong support from the people.

Dr Mahathir also reminded the ex-Wakil Rakyat that the support they received thus far, also came from their respective political parties and members.

Meanwhile, Tajol Rosli commended Dr Mahathir for his success in instilling the motivational spirit and self-confidence among Malaysians through the slogan Malaysia Boleh!.

At the dinner, Dr Mahathir was also unanimously appointed as Mubarak patron.
