Correction

IN THE article, headlined "Only skilled, competent hauliers should operate", that appeared on B2 of the Business Times on January 26, Container Hauliers Association of Malaysia president Mirzan Mahathir should have been quoted as saying: "Even the price of a prime mover and five trailers (the minimum number needed to operate a prime mover), which used to cost RM300,000, now has increased to RM500,000."
