Unfazed by panic over charging cow

JITRA, Sat. - Nothing seems to faze Tun Dr Mahathir Mohamad, not even a cow that broke free and attacked former soldier Marican Mohd Said at the handing over of cattle for Hari Raya Haji.

While the crowd shouted and ran helter-skelter, the former Prime Minister held his ground until officials at the function at Taman Bahagia here calmed the animal.

It was among eight head of cattle donated to district clinics here by Molek Engineering Sdn Bhd.

Dr Mahathir had been given the honour of distributing them to villagers. Incidentally, Marican was the one who later accepted the cattle on behalf of the residents in Kampung Batas.
