DAP: Hold back polls until farewell for Dr M

THE DAP, which was very critical of Tun Dr Mahathir Mohamad while he was in office, yesterday said elections should be held back until Members of Parliament can host a farewell dinner for the former premier. DAP secretary-general Kerk Kim Hock said: "There is widespread speculation that the Prime Minister will dissolve Parliament in the first week of March. I hope he will not dissolve Parliament before it has the chance to host a farewell and appreciation dinner for Dr Mahathir".
