MORE than RM1,000 was collected for Tabung Harapan Ihsan during the Malaysia Institute of Integrative Media's recent Open Day and charity concert.

The donation was presented to Anak Sains Mara (Ansara) president Datuk Mukhriz Mahathir during the concert by the institute's (MIIM) chief executive Abdullah Ridzuan. Also present was SAL Group Colleges and MIIM director Abd Latif Abd Ghani.

The concert, themed "Fusion", was held at the MIIM campus in Wangsa Maju, Kuala Lumpur.

Mukhriz thanked the institute for initiating the fund-raising activity, which meant a lot to Ansara.

He said the money would be used to help needy students further their education.

The fund was set up to help children from low-income families continue their education at institutions of higher learning in the country.

Among the artistes performing at the concert were Intan Sharafina, Azaharina, Everlasting, Bumi, OAG, M.O.B., Ruffedge, Naked Breed and Pop Shuvit.

The event was organised by MIIM final-semester broadcasting, corporate communication and media studies students.
