Stability key to progress

Dr K.H. Sng

AFTER a hundred impressive days, Datuk Seri Abdullah Ahmad Badawi has shown that he is an able and capable successor to Tun Dr Mahathir Mohamad.

His emphasis on new blood and clean, effective leadership should touch the hearts of all races. Stability is the key to progress and success of our nation. We have achieved a lot and can do much more.

The time has come for us to reaffirm our trust and belief in this Government and its leaders.
