Abide by PM's strong initiatives

Chandran Sukumaran

PRIME Minister Datuk Seri Abdullah Ahmad Badawi's initiatives in his first 100 days in office are commendable. This reminds me of the days of Tun Dr Mahathir Mohamad when he launched the Amanah, Cekap, Bersih initiative soon after taking office.

Abdullah's initiatives not only imply an efficient, trustworthy and clean administration but other initiatives are added for the people.

It is the duty of every citizen to abide by the initiatives and not just read about them, shower accolades on the PM and forget about them.
