Dear Sir,

On behalf of the Government and myself, I would like to thank the people of Kuala Lumpur for their kind cooperation which contributed towards making the Non-Aligned Movement XIII Summit in Kuala Lumpur a success. The discipline and the courtesy towards our guests shown by the people of Kuala Lumpur have won high praises from all the delegates.

I am most gratified and proud of Kuala Lumpur citizens. This is the kind of civic-mindedness and hospitality which will make Kuala Lumpur a great city and its citizens successful.

Thank you once again.

Yours sincerely  
Dr Mahathir bin Mohamad
