FOR A GOOD CAUSE: A section of representatives of the National Council of Women's Organisation and its affiliates putting their signatures down for the People's Alliance For Peace Malaysia's (Malaysians for Peace) one million signatures' campaign, at Wisma Puspanita in Kuala Lumpur on Saturday. The campaign opposes arbitrary war against Iraq, Palestine and other countries by superpowers. The signatures will be handed over to Prime Minister Datuk Seri Dr Mahathir Mohamad in time for the Non-Aligned Movement Summit in Kuala Lumpur. Peace Malaysia is a coalition of NGOs comprising voluntary, youth and uniformed bodies; political parties; religious and welfare groups; students and professionals with the goal of pursuing a comprehensive, permanent and just peace.
