16 resolutions to be tabled at MIC general assembly

KUALA LUMPUR, Fri. - A total of 16 resolutions will be tabled at the MIC annual general assembly on May 10, including one asking Barisan Nasional chairman Datuk Seri Dr Mahathir Mohamad for more parliamentary and state seats in the next general election.

Party president Datuk Seri S. Samy Vellu said the party had identified seats which it was confident of winning.

"We do not want to say how many seats we are targeting, but only that we have identified these seats and will prepare a report before meeting Dr Mahathir soon," he said after chairing his party's central working committee meeting.

Samy Vellu said there would also be a resolution asking the Government for more positions for Indians in the civil service and public universities.
