`Explain policies to students'

OVERSEAS Umno Club members were asked to step up efforts to explain Government's policies to overseas students to counter misinformation by Pas.

Umno president Datuk Seri Dr Mahathir Mohamad also urged Umno Club members not to forget the real purpose of them going overseas, which was to study.

London Umno Club chairman Adam Abdul Aziz said Dr Mahathir also reminded them that they were ambassadors of the country, and responsible for portraying a good image of Malaysia and its people.

"He told us to explain the real situation in the country to the students so that they would not be misled by Pas clubs," Adam said.

The Umno clubs were from Britain, the United States, Australia and Russia.
