Another report lodged

KUALA LUMPUR, Thurs. - Kuala Selangor MIC division chief S.P. Thirumoorthy today lodged a police report against Indian Progressive Front president Datuk M.G. Pandithan for "providing false information" to former Prime Minister Tun Dr Mahathir Mohamad.

In the report lodged at the Kuala Selangor police station, he alleged Pandithan falsified information by claiming Malaysia Nanban editorial adviser Kumana Pupathi Athimulam, better known as Athi Kumanan, was the IPF deputy president to ensure he received a Datukship from the Yang di-Pertuan Agong.

Thirumoorthy also said Pandithan recommended Athi Kumanan for the title to return a favour to the editorial adviser for the numerous stories on IPF that appeared on Malaysia Nanban.
