Rais: Outdated laws to be revised

KUALA KLAWANG, Sat. - Several outdated provisions under the Copyright Act, the Local Government Act and Criminal Procedure Code will be revised soon to reflect current needs, Minister in the Prime Minister's Department Datuk Seri Rais Yatim said today.

The Attorney-General's Chambers had been informed of the matter, he said after the annual general meeting of the Jelebu Welfare and Education Association, or Baka.

The issue of outdated laws was brought up at a meeting between Prime Minister Datuk Seri Dr Mahathir Mohamad and enforcement agencies in Putrajaya two days ago.
