Business Focus Group's pavilion launched

PRIME Minister Datuk Seri Dr Mahathir Mohamad yesterday launched the pavilion for Business Focus Group, which is one of the country's leading companies engaged in shipping and defence-related activities.

The launching ceremony was held during Dr Mahathir's visit to the maritime exhibition at Porto Malai.

Also present at the ceremony was Business Focus Group executive chairman Tan Sri Amin Shah Omar Shah and the Sultan of Brunei Sultan Hassanal Bolkiah.

The Business Focus Group, which is the biggest exhibitor at this year's Lima maritime exhibition, has various subsidiaries. Among them are PSC-Naval Dockyard Sdn Bhd (PSC-ND), Wavemaster Langkawi Yacht Centre and Wavemaster Australia.

Among PSC-ND's accomplishments was a RM5.35 billion contract by the Government for the construction of the first six of a planned fleet of 27 New Generation Patrol Vessel (NGPV) for the Royal Malaysian Navy in 1998.

All six of the NGPVs are scheduled to be delivered to the navy from September 2004 to April 2007.

The Wavemaster subsidiaries of Business Focus Group has gained experience in building over 80 vessels ranging from 25 to 50 metres.
