PM at Youth Day bash

KUALA LUMPUR, Tues. - Prime Minister Datuk Seri Dr Mahathir Mohamad will join youths from all over the country to celebrate National Youth Day at the Bukit Jalil sports complex on Thursday.

The Youth and Sports Ministry, in a statement today, said Dr Mahathir would also present the National Youth Ambassador award to a candidate active in non-governmental organisations and activities.

Other awards to be presented include the National Youth Award and Youth Association Grand Award.

This year's festivities began with the National Youth Convention, which will end tomorrow.

The theme of the Youth Day, "Propagating National Excellence", reflects the Youth and Sports Ministry's focus on the continued excellence of youths.

Remote control car-racing, karaoke and rock-climbing competitions are some of the activities which youths can look forward to on Thursday and Friday at Dataran Putra.
