Dr M is my Muslim hero

Abdul Rashid Cayongcat

I'M a Filipino Muslim and Prime Minister Datuk Seri Dr Mahathir Mohamad is my Muslim hero. I became his fan when he defied the International Monetary Fund economic prescription to save his country.

Instead, he used his creative and independent mind to re-invent and resurrect the Malaysian economy against all odds.

For me, Dr Mahathir speaks the words of Almighty Allah without fear except for his Creator. He is a worldclass leader, great thinker and motivator.
