Dr Mahathir to be showcased in 'A Legend Forever'

KUALA LUMPUR, Sun. - The immense achievements and contributions of Prime Minister Datuk Seri Dr Mahathir Mohamad will be showcased in a project called "A Legend Forever", or ALF, to be launched on June 17 at Sunway Lagoon Resort Hotel.

ALF will not only encapsulate the life of Asia's longest-serving Prime Minister in a printed biography, but will also include a web-biography and website that will focus on his numerous achievements that have touched the lives of Malaysians.

ALF is a series of projects aimed at recording the contributions of Malaysian leaders, beginning with Dr Mahathir.

Dewan Rakyat president Tun Dr Mohamed Zahir Ismail will launch the ALF project and the printed biography.

ALF's event director (operations) Rashid Mansur said the website on Malaysia would be an all encompassing historical account of the nation from the dawn of Independence in 1957 until now.

"The website will act as a platform to inform and educate the world about our country, its leaders and people, to showcase their respective achievements and contributions and dispel negativity created," he added.

Rashid said the print-biography entitled Mahathir Menjulangi Martabat Malaysia, written by Zahidi Datuk Zainol Rashid, would be sold at the Umno general assembly at Putra World Trade Centre from June 18 to 22.

He added that the web-biography was being handled by Professor Emeritus Datuk Dr Khoo Kay Kim, who is the project's lead researcher and writer.
