Dr M, wife will be there next year

PRIME Minister Datuk Seri Dr Mahathir Mohamad, who will be retiring in October, said he and wife Datuk Seri Dr Siti Hasmah Mohd Ali will attend the Umno general assembly next year.

When asked how he felt as he would be attending as an ordinary member, Dr Mahathir said:

"No, I will not feel anything as I am still an Umno member. We will attend the assembly together next year."

Dr Mahathir said this when met at his home at the Mines Resort City before he and his wife left for Putra World Trade Centre for the 54th Umno general assembly.

For 22 years, Dr Siti Hasmah has accompanied her husband to open the general assembly.
