Dr M, Dr Siti Hasmah leave Doha for holidays

PRIME Minister Datuk Seri Dr Mahathir Mohamad and Datuk Seri Dr Siti Hasmah Mohd Ali left for their holidays immediately after attending the OIC emergency summit in Doha.

Dressed in a light brown two-piece suit and sounding very upbeat, Dr Mahathir said he was going to enjoy his holidays and hoped to do some horse-riding.

Dr Siti Hasmah, in a red baju kurung, said she would turn off all handphones to ensure they enjoyed their vacation fully.

"I've served for 22 years (as Prime Minister) but feel I have given 44 years of service," Dr Mahathir said, as Malaysian journalists covering the summit bade the First Couple bon voyage.
